

Source of essential  
vitamins and mineral salts

- DETOXICANT

**This** is a type of seaweed with a high content of essential vitamins and mineral salts. It has a very high nutritive value.

Some of the active components are: alginic acid, biotin, bromine, calcium, choline, copper, inositol, iodine, PABA, potassium, selenium, sodium, sulfur, zinc, vitamins A, B<sub>1</sub>, B<sub>3</sub>, B<sub>5</sub>, B<sub>6</sub>, B<sub>9</sub>, B<sub>12</sub>, C, and E.

Thanks to the high content of vitamins, minerals and salts, it is very nutritious, a detoxicant and a regulating remedy that has a wide variety of properties.

Since the content of iodine in this seaweed is very high, it is a very good remedy to maintain the proper function of the thyroid and other glands.

Kelp is a general nutritive tonic to the blood. It is a very important component in cleansing programs since it is able to prevent different pollutants in the gastrointestinal tract from being absorbed into the body. It also helps to fight infections.

Kelp is reported to have a positive effect upon the sensory nerves, brain tissue, membranes surrounding the brain, and spinal cord. It is used for hair loss, goiter, ulcers and obesity. It is known also to be of benefit against the effects of radiation. It is good for those with a mineral deficiency and for stimulating the metabolism, for calcium retention and blood purification.

#### Each tablet contains:

Iodine (from Kelp)..... 225 mcg

Non-medicinal ingredients: Stearic acid, magnesium stearate, silicon dioxide, vegetable hypromellose, calcium phosphate dihydrate, sodium croscarmellose.

Contains no: Preservatives, artificial flavour or colour, sugar, dairy, starch, wheat, corn, soy or yeast.

A factor for the maintenance of good health. Helps in the function of the thyroid gland.

#### Suggested use:

Take 1 tablet three times daily with meals or as directed by your health care practitioner.

Keep out of reach of children.
