Multi-MaxImmune

Maximize
your immunity
with 17 nutraceuticals

MULTI-MAX IMMUNE IS THE
MULTIVITAMIN THAT BOOSTS
YOUR IMMUNE SYSTEM.

The formula for feeling great.

MULTI-MAX IMMUNE is formulated with 17 synergistic nutraceuticals to help the body recognize vitamins and absorb them better. Antioxidants are present to block free radicals and help prevent heart disease, cancer and other conditions associated with aging. MULTI-MAX will make you feel better, look better and, best of all, ensure your body has the nutrients that it needs to stay healthy and fight disease.

MULTI-MAX IMMUNE CAPSULES ARE MADE FROM VEGETABLE SOURCES THAT ARE CERTIFIED NON-GMO

MULTI-MAX IMMUNE can:

- Increase energy
- Improve digestive problems
- Establish a proper pH in the intestines
- Stimulate detoxification
- Improve mental alertness
- Protect against free radicals
- Enhance the immune system

MULTI-MAX IMMUNE offers you and your family the basic essential vitamins (A, Bs, C, D and E), minerals, lipotropics and amino acids needed to support the immune system.

How MULTI-MAX IMMUNE boosts your immune system:

Riboflavin-5-phosphate

Riboflavin-5-phosphate is added to ensure the body enjoys the full benefits of vitamin B2. This form of vitamin B2 is sometimes referred to as “activated riboflavin” because of its fast-acting effects in the body.

Inositol Hexanicotinate

This inositol-bound form of niacin is slowly metabolized in the body and releases niacin over a period of time, without causing the characteristic red flush of the skin that may occur when larger doses are administered.

Pyridoxal-5-phosphate

This is the active coenzyme form of vitamin B6. New Roots Herbal uses this form, as it doesn't have to be processed by the liver because of its enzyme form and is immediately assimilated.

Green Tea Extract

Epigallocatechin-3-gallate (EGCG) is an antioxidant isolate found in green tea that helps protect the skin from tumor formation and UV-radiation-induced damage. EGCG has also been shown to dramatically reduce the early stages of breast disease.

Sterols & Sterolins

Beta-sitosterols, the main sterols found in Sterols & Sterolins, have been shown to inhibit tumors, reduce cholesterol, treat atherosclerosis and ulcers, and modulate the immune system.

Arabinogalactan

Contains high concentrations of natural polysaccharides, which initiate a widespread and profound action by enhancing and stimulating immune response.

Resveratrol, Astaxanthin and Zeaxanthin

Resveratrol belongs to the phytoalexin class of phytochemicals, and functions as a moderate antioxidant, quenching free-radical damage linked to several cancers. Astaxanthin and zeaxanthin are naturally-occurring powerful biological antioxidants. They protect cell membranes, cells,

and tissues against lipid peroxidation and oxidative damage of LDL-cholesterol.

Colostrum

Colostrum rebuilds the immune system, destroys viruses, bacteria and fungi, accelerates healing of all body tissue, helps with weight loss, burns fat, increases bone and lean muscle mass, and slows down and even reverses aging. Colostrum has antioxidant properties, anti-inflammatory benefits, and is a source of many vitamins, minerals, enzymes and amino acids.

Peace Greens (Powder)

Greens are sources of vitamins, minerals, antioxidants, detoxifiers, enzymes and essential fatty acids. They are great for boosting energy and vitality.

Bioflavonoids (Citrus)

Bioflavonoids possess anti-inflammatory, anti-allergy, antiviral and anti-disease properties. They are also powerful antioxidants.

Coenzyme Q10

Coenzyme Q10 can supply or remove oxygen from biologically active molecules. Coenzyme Q10 possesses the ability to protect the heart during periods of ischemia, or oxygen deprivation.

Plant Digestive Enzymes

Plant digestive enzymes supply your body with natural plant enzymes that reduce stress in nutrient processing, and allow your body to more completely extract nutrients from food. Plant digestive enzymes help in the digestion of proteins, sugars, fibers, carbs and lipids, and rapidly convert the food you eat into energy.

Choline Citrate

Choline helps the body metabolize fat and cholesterol. It can also help improve memory, especially during the golden years. As a lipotropic, choline prevents the lubricating infiltration of the liver by supporting phospholipid formation.

Suggested Use

Take 2 capsules daily with meals or as directed by your health care practitioner (up to 8 capsules maximum daily).

Ingredients

Contents

2 capsules 8 capsules

Vitamins:

A (Palmitate).....	1500 IU.....	6000 IU
Beta-carotene <i>D. salina</i>		
as provitamin A	2750 IU.....	11000 IU
D3 (Cholecalciferol).....	150 IU.....	600 IU
E (d-Alpha-tocopheryl acetate) NON-GMO	22.5 IU.....	90 IU
C (Calcium ascorbate).....	87.5 mg.....	350 mg
B1 (Thiamin HCl).....	8.75 mg.....	35 mg
B2 (Riboflavin).....	8.75 mg.....	35 mg
B2 (Riboflavin-5-Phosphate).....	3.75 mg.....	15 mg
B3 (Niacinamide).....	25 mg.....	100 mg
B3 (Inositol hexanicotinate flush-free)	25 mg.....	100 mg
B5 (Pantothenic acid)	50 mg.....	200 mg
B6 (Pyridoxine HCl).....	50 mg.....	200 mg
B6 (Pyridoxal-5-phosphate)	2.5 mg.....	10 mg
B12 (Methylcobalamin).....	250 mcg.....	1000 mcg
Biotin.....	75 mcg.....	300 mcg
Folic Acid	250 mcg.....	1000 mcg

Minerals:

Magnesium (Citrate)	75 mg.....	300 mg
Calcium (Citrate)	62.5 mg.....	250 mg
Potassium (Citrate)	6.25 mg.....	25 mg
Zinc (Citrate).....	6.25 mg.....	25 mg
Manganese (Citrate)	3.75 mg.....	15 mg
Copper (Gluconate).....	1 mg.....	4 mg
Boron (Citrate).....	0.5 mg.....	2 mg
Molybdenum (Citrate).....	87.5 mcg.....	350 mcg
Chromium (HVP chelate)	62.5 mcg.....	250 mcg
Selenium (HVP chelate).....	50 mcg.....	200 mcg
Iodine (Potassium iodide).....	25 mcg.....	100 mcg
Amino Acids:		
DL-Methionine	50 mg.....	200 mg
L-Cysteine (HCl).....	7.5 mg.....	30 mg
L-Taurine.....	6.25 mg.....	25 mg

Supplements/Nutraceuticals:

Grape seed extract		
95% proanthocyanidins	3.75 mg.....	30 mg
Green tea extract	50 mg.....	200 mg
Sterols & Sterolins (NON-GMO)	38.75 mg.....	155 mg
Choline bitartrate.....	28 mg.....	112 mg
Arabinogalactan (Larch extract)	25 mg.....	100 mg
PABA (Para-aminobenzoic acid) ..	18.75 mg.....	75 mg
Alpha-lipoic acid.....	12.5 mg.....	50 mg
Betaine HCl.....	12.5 mg.....	50 mg
Rutin	11.25 mg.....	45 mg
Resveratrol 50%.....	10 mg.....	40 mg
Inositol	8.75 mg.....	35 mg
