

Strong immunostimulant

- INHIBITS DNA DAMAGE INDUCED BY FREE RADICALS
- TREATS POISONING FROM HEAVY METALS

This oxygen-rich organic form of the semi-conducting trace mineral germanium, 100% pure bis-beta-carbonoxyethyl germanium, is manufactured under strict processing protocols developed in Japan. Each batch is assayed for composition and purity to ensure the highest grade material available. Warranted free of potentially toxic germanium dioxide and acrylonitrile. Selected batches are additionally subjected to the highly sensitive magnetic resonance imaging technique.

GE-132 has been found in high quantities in garlic, Siberian ginseng and other medicinal plants. Medical research conducted in Japan has found that GE-132 can induce gamma-interferon and activate macrophages and natural killer cells. Other results were reported showing beneficial effects on malignancies and rheumatoid arthritis.

Medical research studies have indicated that GE-132 has immunomodulating properties and may also function as a free-radical scavenger. Germanium appears to be a natural regulator of homeostasis. Germanium:

- is active against leukemia and cancers of the colon, prostate, breast, lung, ovaries, cervix;
- is a strong immunostimulant;
- inhibits tuberculosis, malaria, candida, bacterial infections, and viral infections such as herpes;
- lowers blood pressure and high cholesterol;
- restores deviant blood parameters to normal ranges (pH, potassium, calcium, chloride, triglycerides, cholesterol, bilirubin, uric acid, hemoglobin);
- combats food allergies, rheumatoid arthritis, rheumatism, asthma, diabetes;
- decreases the risk of dying from influenza;
- improves eye diseases – glaucoma, cataracts, detached retinas, inflammation of retina and optic nerves, Behcet's Disease;
- alleviates osteoporosis;
- treats poisoning from heavy metals, PCBs, and carbon monoxide;
- relieves Raynaud's syndrome (dose: up to 1400 mg/day);
- combats depression, schizophrenia, Parkinson's disease, cerebral sclerosis, amyloidosis, epilepsy, and pain;
- treats gastritis, ulcers, diverticulitis, constipation;
- alleviates heart problems: angina, hypertension, arteriosclerosis, apoplexy, cardiac infarction;
- treats warts, corns, eczemas, burns;
- inhibits DNA damage induced by free radicals.

Each vegetable capsule contains:

50 mg of Organic Germanium GE-132 (Germanium Sesquioxide).

Non-medicinal ingredients: Vegetable magnesium stearate and silicon dioxide, in a NON-GMO vegetable capsule composed of vegetable cellulose and purified water.

Contains no: Preservative, artificial colour or flavor, starch, sugar, milk, wheat, corn, soy or yeast.

Suggested use:

As an addition to the daily diet, take 1 or 2 capsules daily, or as directed by a health care practitioner.

Keep out of reach of children.
