

# Toxin cleansing

- GASTROINTESTINAL SUPPORT
- EXPECTORANT

**Created** to help activate the cleaning power of your body, Springlife is a formula composed entirely of natural herbs. Containing chickweed, Irish moss, cloves, plantain, rosemary, bayberry bark and corn silk extract, Springlife was designed to help your body rid itself of toxins present in the intestines. Springlife revitalises and purifies your body.

Mucous tends to build up in the lungs. High levels of mucous can lead to certain undesirable conditions. Springlife acts as an expectorant, which means that it works to help reduce the amount of mucous that accumulates in the lungs.

Certain types of gastrointestinal disorders can be treated with Springlife. It also helps relieve constipation and diarrhea. Springlife assuages cramps and lowers the amount of intestinal gases.

By rejuvenating your body, Springlife helps strengthen vital organs like the kidney and the liver. Over-fermentation in the intestines is reduced through the use of Springlife, and proper pH levels are restored.

Exposed membranes are also protected through the use of Springlife, aiding in their proper continued functioning. We recommend you use Springlife with Plantago (a psyllium compound) and Acidophilus Ultra, a powerful probiotic from New Roots Herbal. These products help eliminate any excess waste or toxins that Springlife has affected and help establish natural, friendly micro-organisms, in your body.

**Each tablet contains:**

Chickweed, Irish moss, cloves, plantain, rosemary, bayberry bark and corn silk extract.  
Vegetable cellulose coated.

Non-medicinal ingredients: Dicalcium phosphate, vegetable cellulose, sodium croscarmellose, silicon dioxide, vegetable magnesium stearate and vegetable stearic acid.

Contains no: Preservatives, artificial flavour or colour, sugar, sweeteners, yeast, animal products, salt, starch, corn, soya, or dairy.

**Suggested use:**

As a dietary supplement, take 1 or 2 tablets, 2 or 3 times a day. Must be used with New Roots Herbal's Ultra Fiber Psyllium and Acidophilus Ultra Plus F.O.S. 10 Cultures, in an enteric-coated, dairy-free capsule, or as directed by your health care practitioner.

**Caution: Not for pregnant women.**

Keep out of reach of children.
